

Dear New England Real Estate Professional,

We are pleased to offer your office the opportunity to join the Northern New England Real Estate Network MLS (NNEREN) at **no charge** until March 31, 2012! This is a **new member promotion** – available only to those who have not been a NNEREN member in the previous six months.

This new member promotion includes:

- Elimination of one-time application fees for new member offices joining before March 31, 2012 - a savings of up to \$650!
- Dues-free access through March 31, 2012 for new subscribers joining NNEREN (note that all NH and VT licensees within a NNEREN member office are required to be NNEREN subscribers). NNEREN's 2012 dues are \$18/month per individual REALTOR® subscriber and \$48/month per non-REALTOR® subscriber
- Member-level access to NNEREN's robust, full-featured InnoVia MLS software which supports a full range of listing types including **Residential** (single family, condo, mobile/manufactured), **Commercial/Industrial, Rental, Multi-Family, Land, and Boat facilities**
- Full access to other member benefits at current member rates (and many free benefits including no-cost virtual tours, lockboxes, marketing, data feeds and display of NNEREN listings, financing resources, technology information, training, and much more)

Consider the benefit to your buyers and sellers as you augment your sales and marketing efforts by tapping into NNEREN's network of more than 8,000 real estate professionals and 2,000 offices in Vermont, New Hampshire, Maine and Massachusetts. Your listings will gain exposure on www.nneren.com, which receives millions of page views every month, as well as on NNEREN participant IDX displays and REALTOR.com, the highly-visited nationwide real estate website. Additional online marketing options are also available through NNEREN's arrangement with industry-wide listing syndicator *ListHub*.

Getting up to speed as a new NNEREN member is simple. Our dedicated MarketLinX trainer can provide in-person training on NNEREN's user-friendly MLS software in your market; online training resources are available too. You will also be invited to attend an MLS orientation session so you can quickly ramp up on NNEREN features and benefits.

Please contact a member of the NNEREN staff or me at (800) 849-4039 or via email at eo@nneren.com to sign up or for more details. We look forward to speaking with you and to helping you maximize the value of your new NNEREN membership!

Sincerely,

Andrew Werry, CEO
